On behalf of the Garfield Heights Board of Education, I wish to extend our best wishes to the class of 1968.

You have completed twelve years of public school education and now leave our school system to continue your education on the college or university level or in business and industry. In any event, your education has not ended, but in fact is just beginning. The total educational experiences you have just completed have provided you with the basic tools necessary to continue your education in the exciting and challenging future ahead of you in this—the space age.

We encourage you to assume leadership roles in our society on the National, State, and Community level as the future of our great country rests in your capable hands. We have every confidence in your abilities and desires to bring all men together with the goal and objective of making this world a better place to live.

Finally, we offer to each one of you, the concern of your Board of Education for your future welfare and the services of your schools at any time.

BOARD OF EDUCATION

## Principal

Our Yearbook serves as a reminder that another Commencement time is near. It is a time of mingled emotions; happiness that our graduating class has completed the course of study required to earn a diploma, and sorrow on the part of those of us who have associated with them through their school life because they will no longer be found in these familiar surroundings.

Although the door to high school experiences is closing, other doors are opening and will continue to open as they carry on their chosen work. In all probability there never were more doors of opportunity for young people than exist today.

Most of you have already decided what you want to do, and will follow that direction, whether it be in higher education or in the pursuit of a livelihood in the vocation of your choice. Many of you, Graduates, will continue your study that you might be better prepared to take your place among the peoples of the world in your chosen fields.

As you leave the halls of Garfield Heights Senior High School and go out into life I want you to know that I will miss seeing you in the coming year. Even as I welcome the incoming students, old faces will be missed. I will confide myself now to wishing you well, and boasting a little of your achievements.

Along with me, every member of the faculty extends to every member of the Class of 1968, sincere congratulations on having reached this most important milestone, on life's journey. We extend best wishes for continued success in whatever you undertake.

Mr. Guy Stella  
Principal

## Assistant Principals

Mrs. Louise Conley

Adding to the responsibilities of keeping specific records and accounts of the school's budget, Mrs. Louise Conley, our assistant principal also helps to manage disciplinary matters. A well organized school depends on its administrators and our assistant principal certainly reflects this high standard.

## Dean of Girls

## Deans

## Dean of Boys

Mrs. Phyllis Hummel

Mr. Clifford Foust

The responsibility of counseling students who have personal and school problems is an important assignment to undertake. This is but one of the various duties Mrs. Phyllis Hummel, Dean of Girls, and Mr. Clifford Foust, Dean of Boys, must perform throughout the school day.

The deans also keep precise records of attendance and tardiness which vary from each period. Their work is performed efficiently and accurately in unison with the faculty and administration.

## Guidance Counselors

Mr. Riley

Mr. Brock

Mrs. Obert

Able and competent to assist all students with their problems are the guidance counselors, Mr. Hugh Brock, Mrs. Alice Obert, and Mr. James Riley.

Throughout the year, they administer tests and supervise special guidance programs for students who are planning for college. For those students planning vocations, they also provide the necessary information and counseling.

## General Office Secretaries

Mrs. Nash, Mrs. Koelliker, Mrs. Presby

The secretarial staff of the General Office is composed of Mrs. Nash, Mrs. Koelliker, and Mrs. Presby. These competent women have the responsibility of handling all correspondence in the high school. The office of the principal and assistant principal are located within the General Office.

## Guidance Office Secretary

Miss Ostrovic

Besides handling all correspondence forms and other various types of office communications, Miss Ostrovic also is a secretary to Mr. Kane and other Guidance counselors at Garfield. She also acts as a receptionist for visitors to our school. The upkeep of all guidance folders and test scores are also a part of her job.

One of the most versatile women who perform secretarial duties in the numerous offices at Garfield Senior High is Mrs. Johnston.

During the morning hours, Mrs. Johnston acts as a secretary to Mrs. Conley in the General Office by assisting her with the many obligations Mrs. Conley has to perform.

Mrs. Johnston's afternoon hours are spent as Mr. William's secretary in the gym office keeping all athletic records in order.

## Attendance Office Secretary

Distributing absence lists, issuing tardy and absence slips, and finding students who are needed during the day, are a few of the office functions performed by the Attendance Secretary. Mrs. Rickerd maintains a well organized and efficient office.

The 1967-68 A Cappella Choir has proved to be a great asset to the prestige of Garfield High, once again the choir showed its fine singing ability in the various assemblies, the Spring and Christmas Concerts. The most important event was the Greater Cleveland Conference Concert, where they sang together with seven other choirs, as well as alone. The Garfield Heights Band is indeed one of Garfield Senior High's notable assets. Wherever they happen to play, one can be sure they will give a remarkable performance. Under the capable leadership of Mr. Reik, this group has carried on the tradition of being one of our school's most respected groups.

## Band Council

### BAND COUNCIL MEMBERS

The governing body of the band, the band council, consists of seventeen members. This group meets and plans for concerts and their many social activities throughout the year. The school will surely agree that our band council has greatly helped to aid our band in its success.

## Majorettes

FIRST ROW: Evens, Zaremba, Allie, Cromika, DeNoto, Morbeto, Behrman.

The 1967-68 Garfield Heights Senior High School majorettes are a common sight at major school assemblies. Under the direction of Mr. Reik, the majorettes perform during halftime at football games, pep rallies, assemblies and parades throughout the year.

These girls deserve a lot of credit for their hard work in boosting school spirit. This year's squad consists of Linda DeNoto, Pat Morbeto, Sue Zaremba, Joyce Allie, Sherry Evens, Marsha Behman and Head Majorette Sarah Cromika.

ALMA MATER

Hark the sound of martial feet  
Breaks upon the air today,  
Sons and daughters of Old Garfield  
March along to win the fray  
Heart and hand and voice united  
As they gaily swing along.

And the answering heavens echo  
To their battle song!  
Fight for Garfield, Win for Garfield,  
Raise her colors old  
Onward pressing—ever onward  
For the Blue and Gold.

With a voice of mighty thunder  
Mounting to the sky,  
Hail to thee our Alma Mater  
Hail old Garfield High.

The Erato is essentially composed of poetry and prose, ranging from deep and thoughtful to the light and humorous.

Through the conscientious efforts of the editors and their advisor, Mr. William Toneff, the yearly publication of the Erato has become something to look forward to.

The student chosen must exhibit qualities of Character, Scholarship, Leadership, and Service. Membership is open to juniors accumulating a 3.5 average and to seniors accumulating a 3.0 average. After qualifying scholastically, the candidates are graded on their eligibility for this organization by their teachers and sponsors.

The present members of NHS elected in their junior year comprise the active membership who assisted with the Victoria Mansfield Scholarship Dance, attended induction services in other schools, and presented the Induction Services Assembly and Evening Program for parents and guests at our school this year.

The Bulldogs join the Lake Erie League next season but leave behind a notable over-all record in the Greater Cleveland Conference.

Coach Foust summed up the 1967-68 team by saying, "They are a group of dedicated young men who sacrificed themselves to become the champions of the Greater Cleveland Conference."

Good Luck to the future Lake Erie League champions, our Garfield Heights Bulldogs.

*As we leave the home of our high school days  
and go our separate ways . . .*

Ever take a roller coaster ride at G.H.H.S.

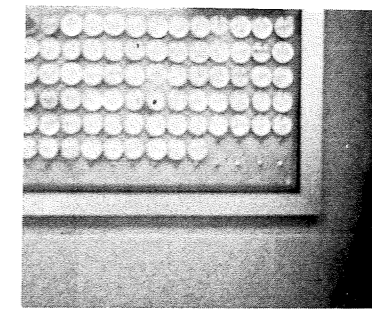

Our California

Remember the sound

Remember the food!

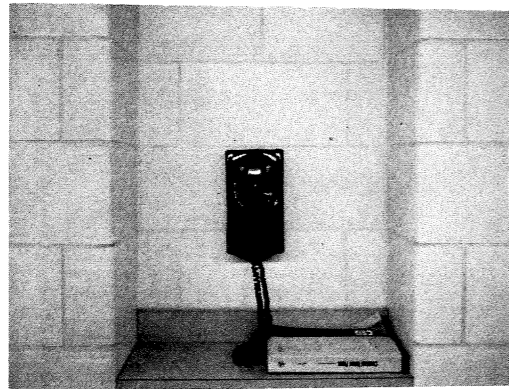

I.B.M.?

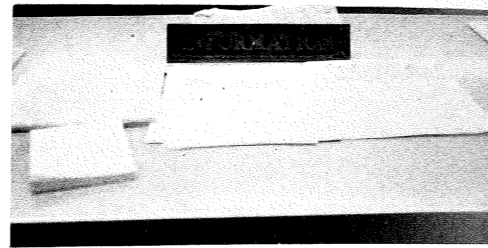

Do we really waste food?

His & Hers

Where's this?

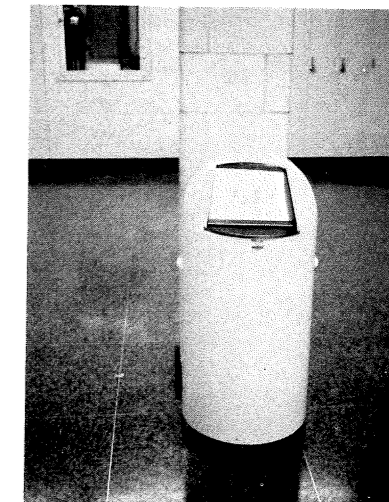

Guess Where?

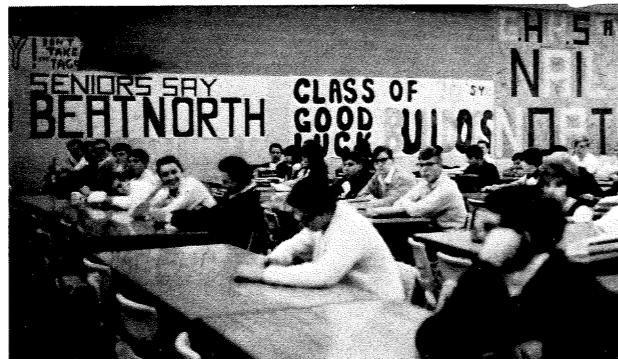

Which door?

Guess again?

Can you locate this one?

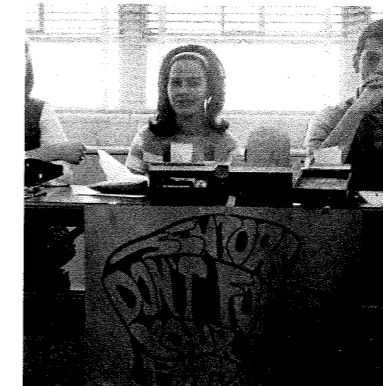

Beat North Again!

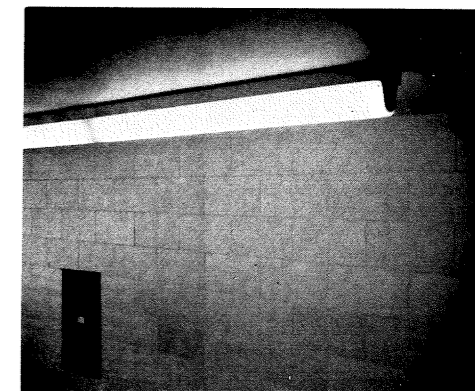

Who?

Can you find these?

Do remember the flower power signs!

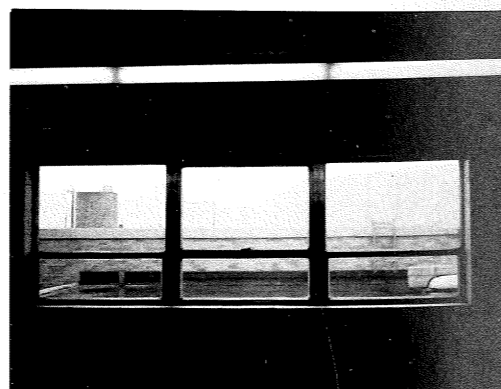

Bet, you don't know where this is!

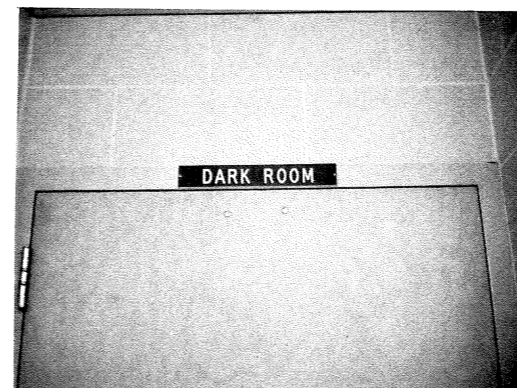

Those bus lines

Guess what?

4th floor swimming pool!!

Is it really dark?

The great slide!

Where have you seen this bird before? 143

## Concert Band

During the winter months the Bulldog Marching Band becomes the Garfield Heights High School Concert Band. The sound transforms from rousing fight-songs into a smooth and more serious type of music.

The conscientious effort put forth by Concert Band can be heard in the soothing and relaxing sound they are known for. The Concert Band is under the direction of Mr. Walter Reik.
