The 1995 IEEE *International Symposium on Circuits and Systems* (ISCAS) will be held at the Sheraton Seattle Hotel & Towers, Seattle, Washington 98101, phone (206) 447-5555 and FAX (206) 621-8441, April 29 - May 3. ISCAS '95 will include regular sessions on all aspects and special invited sessions on specific advanced aspects of the theory, design, and applications of circuits and systems. In addition, tutorials in selected subjects will also be featured in conjunction with ISCAS '95.

Papers describing original work in all aspects of circuits and systems are invited. Topics for regular sessions include, but are not limited to, the following:

**Circuit & System Theory
Neural Networks and Fuzzy Systems
Power Systems & Electronics
Image Processing & Video Technology
Emerging & Innovative Topics**

**VLSI Design & Test
Digital Circuits
Computer-Aided Design
Digital Signal Processing
Analog Circuits**

Authors are invited to submit one photo-ready original and five copies of their manuscripts to the technical program chair:

**Mani Soma, Technical Chair
c/o Meeting Management
2603 Main Street, Suite 690
Irvine, CA 92714 USA**

**Tel: (714) 752-8205 Fax: (714) 752-7444
e-mail: 74710.2266@compuserve.com**

Each paper should be four-page length and conform with the IEEE two-column format. Papers must be camera ready on 8 1/2 x 11 white paper, two-column format in Times or similar font style. 10 points or larger with one inch margins on all four sides. Author's name, addresses, affiliations, telephone/fax/telex numbers should also be included. Do not fold or staple the original camera-ready copy. Papers must be written in English. LaTeX templates are available. ftp pierce.ee.washington.edu; login: anonymous; password: your name; get read.me; bye. The author should indicate one or more categories that best describe the topic of the paper. A manuscript submitted for consideration implies a willingness to present the paper at the Symposium. The authors are also asked to indicate their choices for presentation format of the paper: lecture, poster or either.

Proposals for special sessions should be submitted, by **September 15, 1994**, to the special session chair. Contact David J. Allstot, Special Sessions Chair, for further information.

Tutorial proposals should be submitted, by **September 15, 1994**, to the tutorial chair. Contact Bing J. Sheu, Tutorials Chair, for further information.

Authors' Schedule:

**Deadline for submission of photo-ready manuscripts
Notification of acceptance**

**October 15, 1994
January 15, 1995**
