Making Waves in Texas

Call for Papers

The 2019 IEEE Texas Symposium on Wireless & Microwave Circuits & Systems

Baylor University, Waco, Texas   March 28-29, 2019

The Texas Symposium on Wireless and Microwave Circuits and Systems invites paper submissions for the 2019 conference, to be held at the Baylor Research and Innovation Collaborative (https://www.baylor.edu/bric/) in Waco, Texas, on March 28-29, 2019.

Authors from all institutions (including industry, academia, and government) from Texas and elsewhere are invited to submit papers based on their original and previously unpublished work in all areas listed below:

- RF and microwave circuits and systems
- 5G and millimeter-wave wireless technologies
- Wireless technologies for biomedical applications
- Computational Electromagnetics
- Antennas, propagation, and electromagnetics
- Spectrum management and coexistence
- Active and passive devices
- Microwave metrology

- Wireless power transfer
- Electromagnetic materials and modeling
- Wireless and optical communications
- Geophysical and subsurface modeling
- Photonics
- Radar and sensing
- Internet of Things
- Emerging wireless technologies

Accepted and presented papers that meet length and formatting requirements will be submitted to IEEE Xplore®. Travel grants will be awarded to students of selected papers to offset registration and travel costs.

Paper Submission Timeline:

- Deadline for submission of full paper: ~~Feb. 8, 2019~~ **(Extended to Feb. 22 - Final Deadline)**
- Author notification: March 9, 2019 (earlier notification may be requested for foreign submissions)
- Deadline for submission of final paper and presentation: March 15, 2019

Conference website for more information and for submission of papers: www.TexasSymposium.org

Organizing Committee:

General Chairs
David R. Jackson, University of Houston
Yang Li, Baylor University

Technical Program Chair
Jennifer Kitchen, Arizona State University

Technical Program Co-Chairs
Shahrokh Saeedi, The University of Oklahoma
Ali Yilmaz, The University of Texas at Austin

Conference Advisors
W. Alan Davis, The University of Texas at Arlington
Robert J. Marks II, Baylor University
Randall Jean, Baylor University
Oren Eliezer, PHAZR

Publicity Chairs
Casey Latham, Keysight Technologies
Rashaunda Henderson, University of Texas at Dallas

Publications Chair
Ifana Mahbub, University of North Texas

Local Arrangements Chairs
Pedro Rodriguez-Garcia, Baylor University
Charles Baylis, Baylor University

Webmaster
Tien Le, University of North Texas

Student Posters and Presentations Chair
Donald Lie, Texas Tech University

Sponsors and Exhibitors Chair
Oren Eliezer, PHAZR

Tutorials Chair
Kamran Entesari, Texas A&M University

Finance Chair
Brandon Herrera, Baylor University

Call for Sponsors
Companies and individuals interested in sponsoring specific aspects of the conference should contact Oren Eliezer at OrenE@ieee.org.
