## "Sky Daddy in the Clouds?"

Hey Oso Gang!

Atheists regularly and pejoratively call God the "Sky Daddy." Is God just up in the sky? Where is He? This week, Dr. Robert Marks, a distinguished professor of Computer and Electrical Engineering at Baylor University and one of our faculty advisors, will be answering the question, "**Where is God?**" We are super excited to learn tonight at 7 pm in the Beckham room of the SUB.

Coming on April 19, we will have a **panel: God, Academia, and the Workplace!**

More info about that will be coming your way soon.

There will be **no meeting next week** due to Dia Del Oso. Watch out for an email about our Dia get-together soon!

In Christ,

Spencer King

President, *Oso Logos*

*"But in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect."*
